

Food Safety Supervisor Training

Every licensable food business in Queensland and Victoria is required to have a food safety supervisor. This requirement will be also required in NSW by September 2011. Symbio Alliance is a leading deliverer of Food Safety Supervisor having trained hundreds of Food Safety Supervisors in hospitality, retail, food processing and healthcare.

Course outline:

- An introduction to food safety
- Food safety standards and regulations
- Food safety hazards and control
- A practical guide to food safety controls
- Food Safety Programs
- Continuous improvement

Nationally Accredited Training Units:

Symbio is accredited to undertake Food safety supervisor training within four training packages

- Tourism and Hospitality: SITXFSA001A – Implement Food Safety Procedures AND SITXOHS002A Follow workplace hygiene procedures
- Retail SIRRFS100A – Apply Retail Food Safety Practices
- Food Processing FDFCORFSY2A – Implement the food safety program and procedures
- Health HLTFS207B – Follow basic food safety practices AND HLTFS309B – Oversee the day-to-day implementation of food safety in the workplace AND HLTFS301B – Apply & monitor food safety requirements
